

TTR™ Series Wax Ribbons

Labels for Life.

Thermal Transfer General Purpose Wax Ribbons

Identco's TTR™ Series is a general purpose thermal transfer wax ribbon. The wax ribbon offers great flexibility and is ideal for printing on matte and coated paper materials. It has precise sensitivity for high speed printing with the assurance of consistent optimal print quality and clarity. TTR Series ribbons are specifically designed to have excellent smudge and abrasion resistance. TTR Series ribbons are available in 15 stocked sizes.

Highlights

The TTR Series thermal transfer wax ribbons are ideal for products which require great flexibility for printing on matte and paper materials. When printed on the recommended Identco label material, the critical bond between the two materials ensures lasting legend permanence. We have a full selection of ribbon/label material combinations with UL/CSA approval. For more information reference our UL MH16225/MH16873 and CSA 089882 file numbers. transfer ribbons for the full range of durable label applications.
